## **FIREWORK SCHEDULE**

The Champagne Aerial Display, the second of our Bespoke Wedding Spectaculars is perfectly timed, choreographed and colour co-ordinated, with that extra bit of **Oomph !** to ensure the **“Perfect End to your Perfect Day”**.

We have listed the contents of a typical Champagne Display in the order it is fired. If you wish to customise your show a list of additional items can be found at the end of the firing schedule. Why not finish with our ever popular **Wedding Set Piece** and let us **Set your Heart on Fire!!**

### **OPENING SALVO :-**

- 1 125mm Aerial Display Shell to start, displaying multi colour stars and silver Spangle effect at an altitude of 500ft. This is certain to get your guests attention!!
- 25 65mm Shell Barrage, firing a fast and furious torrent of Display Calibre Shells & Mines in multiple volley's, displaying huge coloured Peonies filling the sky in excess of 250 feet from the ground...
- 1 Rocket Barrage, firing seven sequential Rockets, each rising skyward with glittering golden tails, bursting into large individual canopies of coloured chandeliers.

### **SEQUENCE ONE :- (mixed colour with canopy effects)**

- 90 Shot Display Barrage, firing huge clusters of coloured Comet Tails, each bursting with mixed red & green Coconut Trees, with a cascade of Crackling Leaves.
- 64 Shot Display Barrage, firing huge glittering Comet Tails, followed by spectacular bursts of yellow and green Palm Tree Leaves.
- 90 Shot Display Barrage, firing enormous clusters of silver glittering tails, each soaring skyward, culminating in alternating red, blue and brilliant yellow Peony bursts, filling the sky with a shower of coloured stars.

### **SEQUENCE TWO :- (bouquet and colour effects)**

- 120 Purple Stars with glittering Comet Tails, fired in a bouquet from three points, displaying a huge Peacocks Tail of vivid stars.
- 50 Shot Fanned barrage, in sequences of 5, Displaying Five individual sets of five fanned comets, each launched with a bouquet of multi colour and bursting sequentially with multi colour peonies and stars, a real breath taking effect!!
- 120 Emerald Stars with glitter tails, fired in bouquet from three points, displaying a huge peacocks tail of vivid stars.

**SEQUENCE THREE :- (bouquet effects with colour and a little noise)**

- 50 Shot Fanned Barrage, in sequences of five, displaying individual sets of five fanned Comets, each launched with huge coloured Comet Tails, bursting sequentially with crackling Coconut Trees, Golden Spangle and Crackling Leaves.
- 120 Silver Serpent Stars with glittering Comet Tails, fired in a bouquet from three points, displaying a huge Peacocks Tail of vivid stars and loud whistles.
- 50 Shot Fanned Barrage, in sequences of five, displaying individual sets of five fanned Comets, each launched with vivid, cascading Golden Crackling Tails, bursting sequentially with an intense cloud of crackling, golden stars. A truly Breathtaking effect!!
- 120 Coloured Stars with glittering tails, fired in a bouquet from three points, displaying a huge Peacocks Tail of vivid stars, each culminating in a loud report and silver star flash
- 7 Huge Coloured Display Rockets, each rising with a cascading glitter tail, and bursting to form a spectacular canopy of glittering stars, signalling the start of the Finale

**FINALE :-**

To be fired in a Rapid Fire Crescendo.

- 80 Shot Fanned Finale Cake, firing an awesome spread of eight Comets in a bouquet which bursts in a unique Chrysanthemum Spangle effect. Firing ten sets of eight Comets, each bursting sequentially to give a huge arc of bursting stars across the sky
- 25 65mm Shell Barrage, firing a fast and furious torrent of Display Calibre Shells, in multiple volleys, displaying huge coloured Peonies filling the sky in excess of 250 ft from the ground.
- 14 65mm Finale Shells, all rising together with a loud Thud as they travel skywards, bursting into a bouquet, filling the sky with multi coloured Palm Trees.
- 1 125mm Finale Shell, launched to in excess of 500 ft high. This spectacular shell forms a canopy over the preceding Fireworks, signalling the end of the show.
