FIREWORK SCHEDULE

The Platinum Aerial Display, the ultimate show in our Bespoke Wedding Spectacular range is perfectly timed, choreographed and colour co-ordinated for **High Impact**, using greater numbers of **High Calibre** fireworks to create a truly **Show Stopping display!**

We have listed the contents of a typical Platinum Display in the order it is fired. If you wish to customise your show a list of additional items can be found at the end of the firing schedule. Why not finish with our ever popular **Wedding Set Piece** and let us **Set your Heart on Fire!!**

OPENING SALVO :-

- 1 **150mm Premium** Aerial Display Shell to start, displaying multi colour stars and silver Spangle effect at an altitude of 600ft. Your guests will be stunned!!
- 50 65mm Shell Barrage, firing a fast and furious torrent of Display Calibre Shells & Mines, in multiple volleys, displaying huge coloured Peonies filling the sky in excess of 250 feet from the ground.
- 1 Rocket Barrage, firing seven sequential Rockets, each rising skyward with glittering golden tails, bursting into large individual canopies of coloured chandeliers.

SEQUENCE ONE :- (mixed colour with canopy effects)

- 196 Shots fired from two Fanned Display Barrages, firing huge clusters of Silver & Golden Comet Tails, each rising with a co-ordinated red and green mine displaying a mass of coloured stars from the ground up.
- 64 Shot Display Barrage, firing huge glittering Comet Tails, followed by spectacular bursts of yellow and green Palm Tree Leaves.
- 90 Shot Display Barrage, firing enormous clusters of silver glitter tails, each soaring skyward, culminating in alternating red, blue and brilliant yellow Peony bursts, filling the sky with a shower of coloured stars

SEQUENCE TWO :- (bouquet and colour effects)

- 30 Huge Green Stars with Comet Tails, fired in a bouquet from 25mm display candles from three points, displaying a huge Peacocks Tail of vivid stars
- 50 Shot Fanned barrage, in sequences of 5, Displaying Five individual sets of five fanned comets, each launched with a bouquet of multi colour and bursting sequentially with multi colour peonies and stars, a real breath taking effect!!
- 30 Bright Orange Stars, fired in bouquet from three points, displaying huge 25mm calibre shots forming a peacocks tail of vivid stars
- 98 Shots fired from two Fanned Display Barrages, one firing huge Yellow & Purple Comets each culminating in a Crossette Bursts of further Yellow & Purple Stars. The other firing a unique combination of Silver Glitter Comets with Silent Bursts releasing huge clouds of Multi Coloured Fish !

SEQUENCE THREE :- (bouquet effects with colour and a little noise)

- 50 Shot Fanned barrage, in sequences of five, displaying individual sets of five fanned Comets, each launched with huge coloured Comet Tails, bursting sequentially with crackling Coconut Trees with Golden Spangle and Crackling Leaves
- 30 Bright Crimson Red Stars with Comet Tails, fired in a bouquet from three points, displaying a huge peacocks Tail of vivid stars up to 150ft
- 50 Shot Fanned Barrage, in sequences of five, displaying individual sets of five fanned Comets, each launched with vivid, cascading Golden Crackling Tails, bursting sequentially with an intense cloud of crackling, golden stars. A truly Breathtaking effect!!
- 30 Huge Silver Tails fired from 30mm Display Candles, fired in bouquet from three points, displaying a huge Peacocks Tail of vivid stars each culminating in a burst of Green Stars an Silver Swirls in the Sky
- 7 Huge Coloured Display Rockets, each rising with a cascading glitter tail, and bursting to form a spectacular canopy of glittering stars, signalling the start of the Finale

FINALE :-

To be fired in a Rapid Fire Crescendo.

- 144 Shots fired from two 72 shot Finale Barrages, each deploying large glitter and strobe tailed comets at random angles giving huge sky coverage. Each shot ends in a large coloured burst utilising every conceivable firework colour effect, giving a gorgeous pre finale to the show.

- 50 65mm Shell Barrage, firing a fast and furious torrent of Display Calibre Shells, firing in multiple volleys, displaying huge coloured Peonies filling the sky in excess of 250 ft from the ground.
- 24 75mm Japanese Finale Shells, all rising together with a loud Thud as they travel skywards, bursting into a bouquet, filling the sky with our unusual signature colours
- 2 150mm Japanese Finale Shells, launched in excess of 700ft high. These spectacular shells form a canopy over the preceding Fireworks, signalling the end of the show.
