customer comments

Just a note to say a huge thank you for the fireworks display which you provided for our special day. We had the most perfect day - there's nothing we would have changed and the day exceeded our expectations in so many ways - it really was simply the best day of our lives ! Your display was absolutely spectacular - one guest quoted them as "the best firework display he had ever seen", another guest said "this is a wedding we'll never forget", as the fireworks shot into the air. The whole display was a truly memorable highlight of our day. Once again, thank you so much for helping to make our day one which we will never forget - words can't thank you enough. Keep up your excellent standards - we'll be recommending you to others."
